

BLOOM COUTURE RENTAL POLICIES

Our products are made with the highest quality silk florals and sourced from around the world.

Bloom Couture Rental products are made with specially sourced silk, 3D printed, luxurious florals that look and feel real. They are not made with Hobby Lobby or Amazon florals. They are not made with fresh florals, except our Aisle Flowers which we can accent with fresh roses for a small fee.

We offer package discounts with our larger rentals (arches, arbors, pillars), please email for details.

Customization with wedding colors or fresh flowers:

We can customize our products for your event, please email to discuss customization. If we don't offer your colors or you prefer fresh, you can order extra flowers from your florist and we will add them during the installation/set up, please inquire for details.

We will add fresh florals to our Aisle Florals for a fee of \$100 for the set of \$12 or \$10/per item. These will be fresh, white/ivory roses unless otherwise specified. Fresh Hydrangeas are available as an add-on for centerpieces, please inquire for details.

Our products are designed for specific purposes. (Most of) our aisle flowers aren't designed to be repurposed on tables as centerpieces due to their shape, but they can be used on a floor around tables or around a stage.

Delivery/set up/breakdown fees:

We deliver for free within 20 miles of Warrenton, VA for our preferred venues. We offer delivery within Northern Virginia/Fredricksburg/Leesburg for an additional \$100. Please email for rates for other locations outside Northern Virginia. Minimum rental amounts do apply. We set up all products and ensure they look perfect, all delivery includes one location set up. If you would like to move the arch and/or florals to another location (for the reception), we charge an additional \$150. ***Guests, Venue Staff, Wedding Party and Photographers/Other Vendors may not move our products for any reason without our permission***

Pick-up is free the same day until 8 pm, then the following costs apply:

After 9 pm \$100
After 10 pm \$200
After 11 pm \$250
After midnight, not available.

There is not a charge for pick up the next (business) day if the venue's policies will allow and it is not rented for another event. We do not offer self-serve pick-up or return due to the fragile nature of our rentals.

We offer a discount on weekday rentals, inquire for details. We also offer a discount on daytime rentals for events ending before 2pm, releasing our rental for another event that evening, please email to inquire.

What is the payment policy?

To reserve a product on an available date, please check out via our online store and be sure to complete the reservation form. Payment in full is required to reserve your rental (we offer installment payments via shop pay.) A 50% refund is available for cancellations more than 90 days out, you must notify us in writing to cancel. Payment for delivery and pick up fees, fresh florals and other add-ons must be made at least 7 days before your event. We will contact you and go over final delivery and installation and customization requests. A final invoice will be issued at that point. If your event is rescheduled, we will move your reservation with no fee if the date is available. If it is not available, the 50% cancellation policy will apply.

Weather Policy *IMPORTANT*

Our florals are not designed to withstand heavy rain or intense wind, therefore we suggest only renting them if you have an alternate location for outdoor events indoors or have a tent with sides and covering available. We reserve the right to cancel reservations in the case of bad weather with no refunds offered if appropriate covering is not available. We will set up in a light rain or mist, with plastic sheeting to protect the products until 10 minutes before the ceremony. Our products are weighted to withstand light winds, but may not be safe in severe storms, therefore we again reserve the right to cancel any reservations without proper rain and wind protection.

Damage Policy.

We inspect all items upon pick up. Bloom Couture is not responsible for any damage caused by guests of the renters', such as spills or stains, or dismantled florals, any such damage will be billed according to replacement costs.
